We're located on 40 beautiful hill country acres just 10 beautiful minutes from downtown Dripping Springs --- with easy access, too! We offer both indoor and outdoor meeting spaces and options for our beautiful onsite lodging.

WindSong Barn is an elegant, flexible, climate-controlled space with soaring ceilings and hill country views from every window, accommodating about 200 seated guests.

WindSong Pavilion offers the beautiful outdoor spaces you've been searching for. With a gorgeous courtyard, spacious stage, fabulous views, a caterer's prep kitchen and options for cocktail-style, presentation or banquet seating under the Pavilion cover, it's flexible and so pretty.

And our charming onsite cottage lodging (even a Treehouse!), is all a short walk away. We host everything from intimate single-day events to retreats and conferences. You'll love it here!

WindSong Barn is a flexible, climate-controlled space for about 200 guests that includes a Caterer's Prep Kitchen, additional service spaces, plus a lovely porch on the Meadow with beautiful views. Across that meadow is the Pavilion.

WindSong Pavilion offers both a covered space of 3,000 sf and outdoor seating in our shady Courtyard. There's a spacious stage and Caterers Prep Kitchen and options for presentation seating or banquet setup. It's a flexible space for any event, and the views are unsurpassed!

Although we're in "the country", we are:

Just 37 miles from the Austin-Bergstrom Airport (ABIA), about 30 minutes to south Austin, and a quick trip to San Antonio! There's a fabulous restaurant down the street, another just 5 miles away, and easy access from 290 means you're in "Downtown Drip" quickly, with additional dining, entertainment, shopping, and more. And lively Mercer Street? Ten minutes!
