

THE ALEXANDER AT CREEK ROAD

PET POLICIES

-- Contact us in order to register your pet when making your reservation --

So that we are aware of all pet reservations, it's required that you contact us directly **WHEN BOOKING** to REGISTER your pet with us. We'll then send you link to pay the typical cleaning fee associated with your stay. **IF WE'RE RUNNING A PETS-STAY-FREE-SPECIAL**, REGISTRATION and terms are **still** required, so please give us a call! **UNREGISTERED pets** will be subject to **additional charge** or be required to be boarded elsewhere, so please call us when booking.

- We are pet-friendly (dogs only -- sorry, no cats) but (even during promotions), every pet must be registered with us.
- As the pet owner, you agree to bring your pet with current vaccinations and everything you need to take care of your dog, including leash, and all items associated with feeding & cleanup.
- For everyone's welfare, you agree that your pet shall be leashed when outdoors and to be considerate of the property and other guests when bringing your pet.
- You agree that your dog shall not be left unattended, and that any property damages incurred shall be billed back to the card on file!

Thank you in advance for your understanding and cooperation.

ESA dogs: Please call us and provide paperwork via email to Lodging@TheAlexanderatCreekRoad.com
